

CASTELLO
VICCHIOMAGGIO

FSM

IGT Toscana rosso Supertuscan

Merlot (100%)

FSM = Federico Secondo Matta who purchased the Castello Vicchiomaggio in 1964.

FSM has taken on all the flavors and charm of its hilltop vineyard and is often not recognized as Merlot. A true expression of terroir thanks to very strict pruning which limits production to about **3,500 bottles per vintage**. Deep ruby red, intense and complex on the nose with hints of ripe dark fruits and berries.¹ Smooth satin tannins and a good firm acidity confirm the considerable maturation potential of this rare wine. The first vintage was 2003.
